Trojan Battery Appoints Girupis.LT Master Distributor for Lithuania

SANTA FE SPRINGS, Calif., April 10, 2018 – [Trojan Battery Co., LLC](http://www.trojanbattery.com), the world’s leading manufacturer of deep-cycle batteries, has named [Girupis.LT](http://www.girupis.lt) as a master distributor of Trojan batteries in Lithuania.

Based in Kaunas, one of Lithuania’s largest economic and academic city centers, Girupis is a leading battery distributor for the region, as well as supplies charging systems, warehousing equipment to customers throughout the country. Girupis supports a variety of applications and industries in Trojan’s core market segments including warehouse management, marine, trucking, and recreations vehicles.

“There are many opportunities in Lithuania for the installation of Trojan deep-cycle batteries,” said Michael Grundke, general manager for EMEA at Trojan Battery. “With the diverse markets which Girupis supports in the country, we are looking forward to supporting all of their customers’ application needs.”

About Girupis.LT

Founded in 2011, Girupis.LT provides customers with high-quality goods and services including industrial tires and industrial traction batteries, along with charging systems. The company is committed to offering only top-of-the-line products from leading manufactures recognized worldwide. For more information on Girupis.LT, please visit <http://www.girupis.lt/lt/>.

About Trojan Battery Company

Trojan Battery is the world’s leading manufacturer of deep-cycle batteries and a battery technology pioneer, having built the first golf car battery in 1952. Trojan batteries provide power for a wide variety
