Trojan Battery & TeamSustain Named Finalists for Intersolar India's "Solar Projects in India" Award for Hibiscus Villa Eco-Resort Project

DATELINE: *SANTA FE SPRINGS, Calif., Nov. 4, 2013*

WHAT: [Trojan Battery](#), the world's leading manufacturer of deep-cycle batteries, has been named as a finalist for the [Intersolar "Solar Projects in India" award](#). The company and its project partner, [Team Sustain](#), were recognized for their Hibiscus Villa eco-resort project.

Finalists were selected based on exceptional, pioneering projects in the fields of Solar Building, Industrial and Commercial Use projects based in India.

WHEN: The Intersolar "Solar Projects in India" award winner will be announced at Intersolar India, held in Mumbai, on Nov. 12, 2013 at 3 p.m.

WHERE: Intersolar India Presentation Stage, booth 1170

WHY: Hibiscus Villa installed an off-grid renewable energy solar solution making the Villa immune to power failure or grid quality. Hibiscus Villa is one of the world's the most energy efficient buildings with an incredibly low energy footprint in

< more >

terms of connected load and energy consumption. With the successful implementation Solar PV Power System, Hibiscus Villa becomes one of the world's first Net Zero Home Stay.

WHO: About Trojan Battery Company
