Powr-Flite Selects Trojan Battery to Operate Its Line of Floor Scrubber and Sweeper Equipment

SANTA FE SPRINGS, Calif., April 30, 2015 – [Powr-Flite](#), a leading manufacturer of floor cleaning equipment, has chosen [Trojan Battery Co., LLC](#), as its primary supplier of deep-cycle batteries to operate Powr-Flite floor cleaning equipment. The company will provide Powr-Flite with various models of Trojan’s deep-cycle flooded batteries including the [T145, 30XHS, T1275 and J185](#).

“Powr-Flite prides itself on providing only the highest quality floor scrubber equipment to its customers worldwide, which was the primary reason we selected Trojan batteries – the company shares our commitment to quality,” said Debby Davis, manager of new product development and product management at Powr-Flite. “With Powr-Flite floor scrubbers being powered by Trojan batteries, customers can be confident that their equipment will provide the reliable operation and exceptional performance both Powr-Flite and Trojan have become known for.”

Trojan’s deep-cycle flooded batteries are engineered with Trojan’s advanced battery technologies to maximize floor machine performance, reduce downtime and extend battery life. Featuring T2 Technology™, Trojan batteries are

engineered for sustained capacity and total overall ampere-hours, resulting in more operating power.

“Trojan’s extensive line of deep-cycle flooded batteries provide Powr-Flite floor scrubber equipment with rugged durability and long life to tackle any floor cleaning job,” said Mike Harris, strategic accounts manager for Trojan Battery. “In an industry where unexpected downtime can be costly, a reliable power source is extremely important, and we look forward to supporting Powr-Flite’s customer requirements with advanced battery technologies to maximize floor scrubber performance and operating time.”

About Powr-Flite

Founded in 1967, Powr-Flite is a leading manufacturer of commercial floor care equipment. Acquired by Tacony Corp. in 1996, Powr-Flite is positioned as “the one source” supplier for equipment parts, accessories and supplies. The company’s state-of-the-art facility and procedures enable Powr-Flite to provide customers with the highest quality products, and outstanding customer service and support.

About Trojan Battery Company

Trojan Battery is the world’s leading manufacturer of deep-cycle batteries and a battery technology pioneer, having built the first golf car battery in 1952. Trojan batteries provide power for a wide variety of applications that require deep-cycle battery performance, including aerial work platform, floor cleaning equipment, golf and utility vehicles, marine/RV, material handling, oil/gas and renewable energy.

Founded in 1925, the company is ISO 9001:2008 certified with operations in California and Georgia, and maintains two of the largest and most extensive research and development centers in North America dedicated to engineering new and advanced battery technology.
